NEW POSITIONS

Special Education Teacher – Machesney Elementary School

The administration is recommending the addition of 1.0 FTE special education teacher to support the Learning Lab program at Machesney Elementary School.

5.5 Hour Kindergarten Classroom Facilitator – Parker Center

The administration is recommending the addition of this position as a result of the need to add an additional self-contained special education kindergarten classroom for the 2017-2018 school year because of the number of students in the pre-kindergarten self-contained classroom moving up to kindergarten.
