The Administration is recommending the addition of a Kindergarten Classroom Facilitator at Parker Center as a result of the newly added Kindergarten Self-Contained Special Education classroom for the 2019-2020 school year.

2 SPECIAL EDUCATION TEACHERS – HARLEM MIDDLE SCHOOL

The Administration is recommending the addition of 2 Special Education Teachers at Harlem Middle School due to the projected numbers for the 2019-2020 school year. Currently there are 6 teachers teaching a 6th period class and there is going to be an increase in the number of students at the middle school. The two teachers will assist in supporting the students projected needs as well as decrease the amount of teachers that are required to teach a 6th period.

CHANGE OF POSITION

1 FTE Elementary Literacy Specialist – Rock Cut/Windsor Elementary to 1 FTE Elementary Math Interventionist – Rock Cut/Windsor Elementary School

The administration is requesting that we change the 1 FTE Elementary Literacy Specialist position shared between Rock Cut and Windsor Elementary Schools to a 1 FTE Elementary Math Interventionist position. The rationale for this position is supported by current student data as well as the goal of furthering the support of our

students and teachers in implementing successful and appropriate math interventions and math strategies into the classrooms for students who have been identified as at-risk in the area of mathematics. At this time, we do not have any Elementary Math Interventionists so this would provide an opportunity to evaluate how this position could positively impact student achievement. Both Rock Cut and Windsor Elementary Schools will continue to each have 1 FTE Elementary Literacy Specialist to support the staff and students who have been identified as at-risk in the area of literacy.
