

## The Only Thing Getting Better With Time is Wine

Let's face it... no one is getting younger.

There are many ways to get and stay healthy. Perhaps one of the best ways is prevention. The pain in your knee when you stand up, the constant achy back or that sports injury that never healed. All of these issues will more than likely get worse and more painful as time goes on.

Luckily, you have The Zero Card and can take care of your health and wellness for \$0 out-of-pocket!

Physical Therapy - \$0

MRI - \$0

Orthopedics - \$0

X-Rays - \$0

All available to you at \$0 through your Zero Card benefit.

So, what are you waiting for? Take control of your health and experience the power of ZERO.
