Dear Families:

On Tuesday and Wednesday, November 19 (Franklin) and 20 (Vertiz and Kincaide), the fifth grade will be traveling by bus to the Challenger Learning Center in Woodstock, Illinois. This year, students will journey to Mars. The children will spend the remainder of our trip exploring the Planetary Studies Meteorite and Earth Science Exhibit as well as the inflatable star lab. What a great day!

We will leave Olson Park at 7:50 A.M. Busses will get children here on time. You do not have to transport your child if he/she usually rides the bus. Please provide a sack lunch for your child. If you would like to order a school sack lunch, please indicate that choice on the bottom of the permission slip. We will arrive back at Olson Park at 2:10 P.M., and children will return home their usual way.

The cost for this field trip is \$17.00 per child. Please make a check payable to Olson Park School, or send cash by **October 22**, with the attached permission slip in an envelope marked with your child's name and teacher.

Thank You,
The Fifth Grade Team
(Mrs. Franklin, Mrs. Vertiz, and Ms. Kincaide)
